

# Postscript

This issue, Toyama Math. J. vol.37, has been published as a special issue

dedicated to  
Professor Jun Morita (University of Tsukuba),  
on the occasion of his 60th birthday.

Most of authors attended the meeting:

Tsukuba Workshop on Infinite Dimensional Lie Theory  
and Related Topics - History and Development -  
October 20th~23rd, 2014, University of Tsukuba, Ibaraki, Japan.

The organizers were

Akira Masuoka (University of Tsukuba),  
Masaya Tomie (Morioka University),  
Yoji Yoshii (Iwate University),  
Hiroyuki Yamane (University of Toyama).

All articles in this issue have been reviewed. Selection of the referees was contributed by them.
