好きな虫耳にして夢安らかに

繞石謹詠

My dear Otani :-

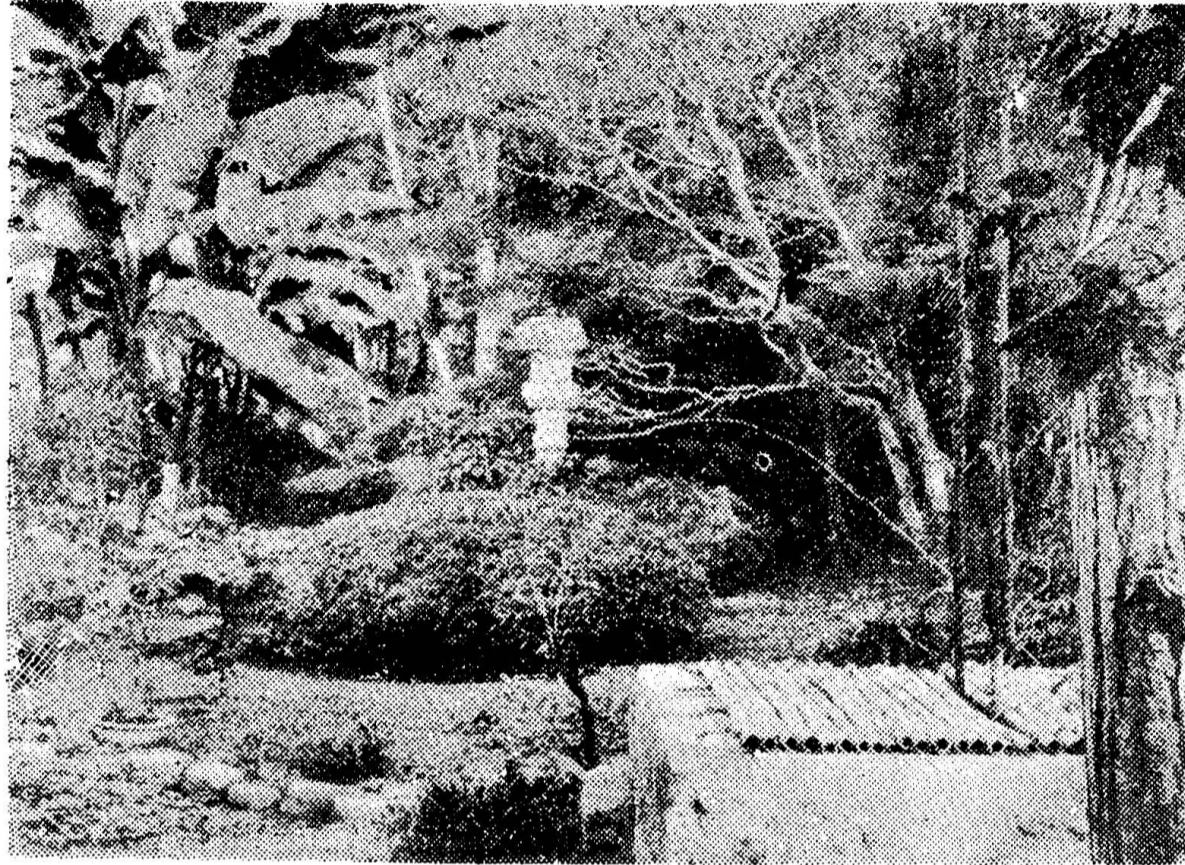

You can take  
month the subject of  
just an essay on the  
the senai. You have already sent  
me a number of poems about  
senai : I should like this time  
a general study of the senai,  
whatever you think is interesting.

I take this opportunity  
also of presenting you with a  
copy of the book mentioned.

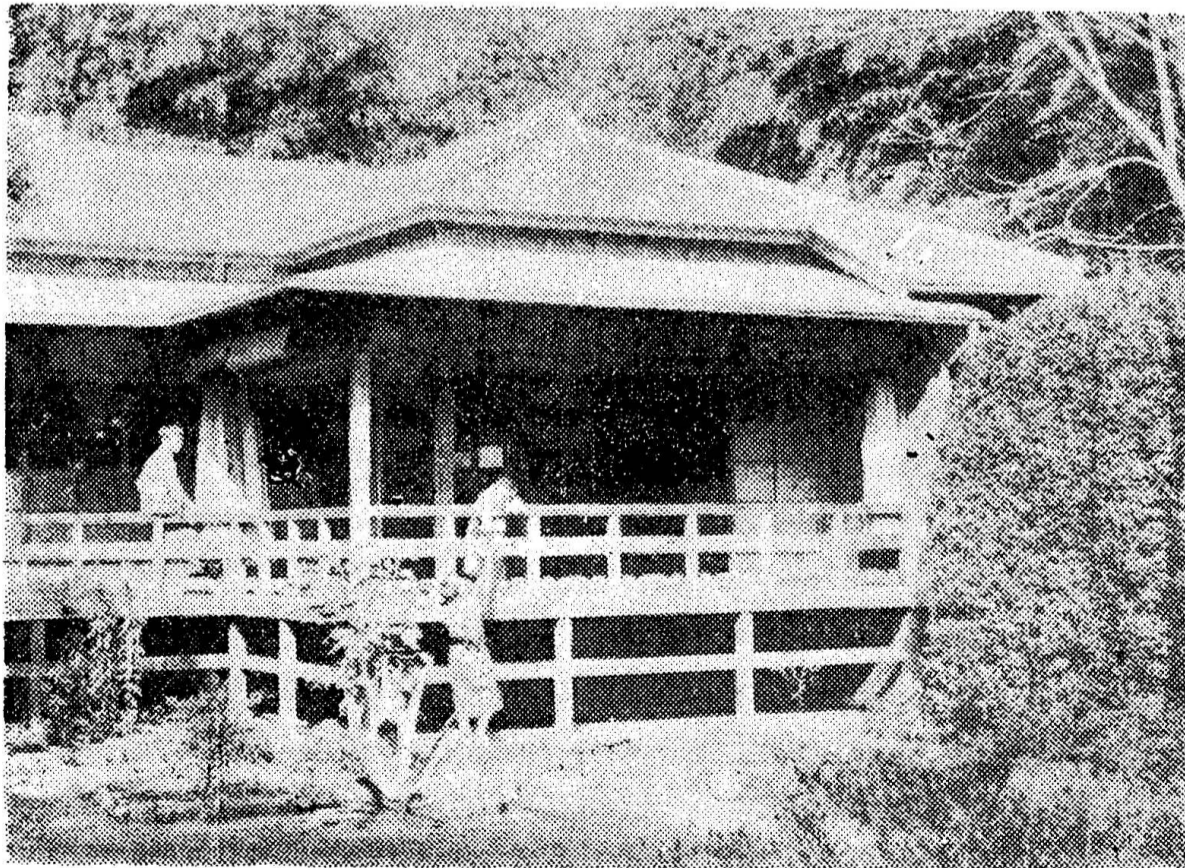

Yours very truly,  
Herbert
