◀ 定評ある北星堂本の特色 ▶

- 一、**活字及印刷の美麗** 活字は總て歐米最新のものを紐育より多大の費用を投じて購入した他に類なきものであります、従つて活字の不揃や不鮮明、凹凸等の事は絶対にありません。北星堂本の包紙や扉の體裁を御覽になつても分りますがどことなく感じが良くアカ抜けして居る事を發見されませう。様々の形の文字、例へば漢字の明朝形と清朝形を混り混りに列べたやうな不體裁なものは決して無いのであります。其上印刷インキは最も優秀なる品を用ゐて居りますから印刷の鮮明優美さに於ては斷然他の追隨を許さぬ所であります。
- 一、**用紙の優良** 弊堂は多年の經驗により北星堂別漉の最上級品を使用して居ります。
- 一、**製本の堅牢** クロースは弊堂別製の優良品を用ゐ、形、綴方等は弊堂獨得の方法により、外見ばかりでなく、目に見えぬ所のボール、糸、綴目の布に至るまで最善の注意を拂ひ費用と勞力を惜まぬ入念に製本して居ります。
- 一、**定價の低廉** 眞に實質其ものに多大の費用を拂ひ、最高級の品のみ使用して居りますが、一方無意味なる宣傳費等は之を省き、出來得る限り讀者の負擔を輕からしめんがために定價を最も低廉にして居ることは既に北星堂本を一度手にされた方は充分お認めになつて居る所であります。

最も要領を得たる理想的英文法

著者『はしがき』より：一煩瑣な分類やあまり必要のない規則、術語などは出来るだけ省き、只管教へ易く學び易い様な順序を採りました。中學卒業生の理解力や發表力が不十分なのは主として文章の構造に關する知識の不足に起因するものと思はれます

から、此方面に特に意を用ひました。構文を知るには文章の解剖は極めて必要な事であると思ひますが、從來の解剖の仕方は非常に繁雜で、あまり實用的だとは申しかねますので、本書では一つ新しい方法を試みました。これならば長い複雑な文章でも構文が明瞭に分る様に解剖することが出来るかと思ひます。

本書二卷は中學校第三第四兩學年に於いて、英文法英作文とを併せ教授する目的を以て編纂したものであります。

從來の英文法教科書は品詞論が大部分を占め、構文論は幾分閑却されて居るかの様に見受けられます。本書は少しく趣を異にし構文論に重きを置き、そして第一卷をば専ら Simple Sentence の練習に充て、第二卷に於いて Complex Sentence, Compound Sentence を研究するといふ方針により品詞論もそれに適當する様兩卷に按排してあります。

即ちまづ第一卷前半に於いて Simple Sentence の五種の形式を例示し、ついで動詞の活用を教へ、猶 Tense の大略、否定文疑問文に於ける Word Order 等を説き、又各種疑問詞に論及して作文練習の根柢を固め後半に於いて人稱代名詞、名詞、形容詞、冠詞、副詞の用法を述べてあります。

第二卷に入つて Complex Sentence, Compound Sentence の要素たる各種の Clause を説きその構成に必要な接續詞、關係代名詞、關係形容詞、關係副詞を論じ、ついで Tense, Mood, Sequence of Tense を詳説し、猶 Infinitive, Gerund, Participle に及び最後に前置詞の用法を附加へたものであります。

本書の編纂に當りては、『興味と實益』を基調として、其教材を蒐集選擇したのであります。其教材の配列に關しては、先づ第一卷に於ては用語構文の最も平易にして最も日常のものより始め、英語の慣用

語法全般に亘りて最も健實なる基礎的智識を確立することを主眼としました。卷を追ふに従ひ漸次複雑なる文體に進み、第四第五卷に於ては、普通教育の英語としては最も高級な程度に達せしめるやうにいたしました。教材は用語構文の難易程度に従つて漸進的に之を配列すると同時に、其題材は大體その授業豫定の季節に適應し、又前後の章と相關聯して場面の推移展開を最も自然ならしめ、よく學習者の興味を増進する様に、之を配列したのであります。

本書の編纂につきましては、編者親しく英米兩國に於て數年間に亘り、廣く教材の蒐集に努められ、殊に London, Edinburgh や New York 等の諸都市教育當局の特別好意によつて、他の方法では到底集めることの出来ない貴重な資料等を挿入されることの出來たのは、類書の追従を許さぬ所であります。本書五卷全部を通じて、定不變の系統組織の確立貫通せるものがありまして、一文一行と雖も本文に關係なき所謂『埋草』的のものが無く、悉くが皆學習者の血となり、肉となるものゝみを編纂されてあります。

“Delightful and Well-Graded” Readers:

Should Do Much to Solve the Problems Facing Middle School Teachers of English

Reviewed on The Osaka Mainichi & The Tokyo Nichi-Nichi.

by Prof. A. F. Thomas,

The Tokyo Bunrika-Daigaku and The Tokyo Gaikokugo-Gakko.

In the glutted market of Middle School English Readers it is a delight to find a series that one can recommend with real enthusiasm.

The faults of the average Middle School Readers are so well-known that there is no need to expatiate here. Often compiled by teachers lacking a complete understanding of the subject and the schools' need; marketed as a potboiling enterprise in which the compilers do little but add their august names to the work done by underlings to whom it is farmed out; without grading and that necessary oral approach to the study of English it is surprising that many of them are able to pass muster with the Ministry's officials responsible for the 'kentei.'

Professor Buhachiro Mitsui's "Meridian Readers" are happily different.

On opening Book I the reader is favourably impressed from the first page by the beautiful large type so helpful and encouraging to beginners. Next by the apt and really artistic illustrations which in some Readers are grotesque. Then by the fact that quite early the young students are introduced to those elementary but practical things of everyday life which are all too often postponed in favour of more 'meaty' extract culled from advanced texts which produce chronic linguistic indigestion and an early surfeit among Middle School students of English.

Professor Mitsui is to be congratulated on his clear understanding of the necessity of teaching Middle School students to walk before they can run. It is an example to be followed.

No student could fail to be interested from the first lesson of the first book. Then the author wisely introduces his readers from the beginning to the I. P. A. phonetic signs. Thus with a few preliminary exercises given by their teachers they are able to solve quickly for themselves the major difficulties of pronunciation.

What, however, has perhaps never been so well achieved before is the provision of so wide a range of subjects. In Book I there are 79 lessons; Book II, 88; Book III, 71; Book IV, 65 and Book V, 68. This is most praiseworthy. All teachers in Japan know how their students are specially happy to complete the reading of a text at one sitting. This the Meridian readers make possible at each lesson. Some of the seemingly interminable texts found in other Readers are calculated to discourage the stoutest student's heart. It is for this reason that the teachers using Professor Mitsui's Readers will see their students reach Book—a rare attainment in Middle Schools. It is to be hoped so, for Book V contains some really charming texts, quite up-to-date and certain to interest the most sophisticated students in their last year at the Middle Schools. It may even be said with fairness that such texts as those on 'the Great War' (including War poetry); 'The League of Nations'; and such-like subjects will serve as a healthy safety-valve for some of the Middle School dangerous thinking.

It was particularly pleasing to see in Book V Captain Scott's farewell letter to Sir James Barrie. Such a letter is worth much more than many of the maudlin moral texts that still find their way into Middle School Readers and which are sickly enough to drive any healthy boy to despair or crime. In this question of moral texts Prof. Mitsui has exercised laudable restraint. It is obvious that he knows boys, has been one, and what is still more important, remains one at heart.

The series are therefore delightful and being well graded, if used widely and wisely by Middle School teachers, they should do much to solve the problems which face High School teachers of English too.

The author claims in his preface that he compiled the Readers "with the object of making English teaching interesting as well as effective." He has unquestionably succeeded in his aim. Moreover, it is of course the only effective way to approach the subject of language-teaching anywhere. Through the medium of Professor Mitsui's Readers it seems impossible for any teacher not to be interested and interesting. What more then need be said of these excellent Readers, except that the Hokuseido is the publisher that has affixed the seal of perfection to a work whose publication must be welcomed in that Japanese field of texts where to the writing of books "there is no end."

William Shakespeare (1564-1616) が世界的劇詩人であることは今更言ふを俟たない。彼の作三十餘篇何れも不滅の傑作であるが、何分今から三百年も前の英語でしかも過半は韻文で綴られてあることゝて、現代英語に堪能の士といへどもさうたやすくは読みこなし得ないのである。

十九世紀の初め頃 Charles and Mary Lamb 兄妹が沙翁劇の筋を傳へる爲に散文に書き直した “Tales from Shakespeare” といふ本があるが、これも日本の中學生にとつては稍程度が高く、一寸とりつきにくい憾がある。それでももう少しやさしい英語に書き直したものゝ中から少年少女の讀物として少しも不向の處のない數篇をとり、中學三四年程度の英語科副讀本として本書を編纂した次第である。

A Tour Through the British Isles

Adapted from Carpenter's Geographical Reader

中學三、四年程度 昭和4年12月24日(文部省檢定済)

With Illustrations. 112頁 定價 .40 錢 千4 錢

從來我國で發行されて居る中等英語教科書は其材を西洋のお伽噺や傳説から取つたものが多いやうですが、弊堂は最近愈々中學英語の實用化を叫ばれて居るに鑑み、中等學生をして地理とか歴史とか或は科學方面の英文をやさしくして讀ましたならば興味と平行して其効果もまた大ならんと信じて本書を編纂したものであります。

本書は Carpenter's New Geographical Reader (大戰後 1922 年の改訂版) の Europe の卷から英國に關する部分だけを取り、本邦の學生に取つては詳しきに過ぐると想はるゝ個所を幾分削つて編纂したものであります。原書は普通の地理學教科書の乾燥なる事實の羅列に過ぎざると異り、見學旅行記の體裁とし、米國より英國に渡る愉快なる船の旅を叙し、巡遊する英國各地に就いては常に其地方の地形産業等を説くに止まらず、港灣運河等についてはその歴史的發達に言及し、自然の奇觀については興味あるその傳説に觸れ、又偉大なる詩人文士の郷土古跡を訪れては其人々の作品を偲ぶなど、誠に興味津々たるものがあります。そして其文體も平易暢達、英作文の範とするに足るべく、中學三四年程度の英語教科書として最も適當であると信じます。

Simple Practical
English Conversation
for
Boys and Girls

(Revised Edition)

by **Frank H. Lee, B. A. (OXFORD)**

(中學二年程度)

著者リー先生は在留英人中最も學識あり、且つ日本學生をよく理解して居られその教授法には多年の經驗を有せられ、又先生の文筆の卓絶なることは既に我英學界に定評があります。先生が多年の經驗から編み出された理想的の會話書は本書であります。

本書編纂の目的は著者が從來日本の學校で教授されつゝある英語會話書なるものが兎角無味乾燥に陥り何等生徒の智識慾を助長せんとする努力のないのを慨され、又一方では日本の學生が退嬰的であつて外國青年との交際を避ける傾向のあることを憂へられた結果成るべく平易で而も實生活に必要な日常會話を覚えさせ、そして日英少年少女の接近を計り、引いては兩國々交の上にも好感を齎さうとの目的で編纂せられたものであります。

以上の趣旨によりまして第一卷におきましては舞臺を英京倫敦に定め、また第二卷では東京及葉山等を場面として日英兩國少年男女が互に睦じく喜戲談笑するさまを寫したもので御座います。今後ますます歐米人に接する機會の多い我學生をして如何に外國人と語るべきか、又如何に外國人と交際すべきかといふことを學ぶに際しまして活きた教材として最も適當なものと信じます。又會話學習者は本書によりて學べば恰も西洋人について生粹の英語を學ぶと同じ効果があります。

昭和九年六月から昭和十年一月にかけて日本から日本へ世界を一週した著者が其の旅行記を語るに當つて地方的歴史と地理を盛り、政治や風俗習慣を傳へ、以て世界の現勢と語學の習得を一舉に得せしめやうといふ近來の快著。一讀興味溢るゝが如し。

讀賣：一英文世界一週紀行である布哇から米國それから歐洲を経てマラツカ海峽から再び日本へといふコースに散在する名所舊跡の訪問と旅情點描とがなだらかに面白く、平明な英文で書かれてある、世界漫遊の經驗者も微笑を以て讀める、又中學上級程度の課外讀物としても教科書としても快適の書である。

Into his narrative of a journey round the world in 1934 the author has blended experiences and opinions with historical events and certain geographical facts to make a satisfying whole. He is alert to discern the relationship of the different ports of call, not only with each other, but with their past and present. He claims no exceptional experiences, and in this very fact lies great significance, for a journey round the world is no great feat at the present day. At the same time, by taking nothing for granted, he records much that escapes the notice of more blasé travellers.

Written with humour and copiously illustrated, "From Japan to Japan" will be regarded by some as an interesting souvenir of their own travels, and by many as an observant reflection of the world to-day.

AMERICA: Pageants and Personalities

アメリカ盛昌記

by **James A. B. Scherer Ph. D., LL.D.**

Illustrated with 32 photographs.

Cloth. 297 pages. 1.70 ¥ 10 sen.

Informative and Fascinating

Customs and manners, traditions and legends, pageants and festivals, social and political institutions, social ideas and national ideals, universities, sports, history and the Builders of the Nation, including statesmen, novelists, poets, inventors, artists and scientists.

Narrated In Simple But Beautiful Language!

No Student of the English Language and Literature of International Politics can afford to miss this book. Tourists will find it Extremely Fascinating Reading.

The Japan Times — The writer has furthermore addressed himself to the general public. His volumes have been free from pedantry and affectation. He has not striven to write classics on the Japanese theme, but to present in simple language and in an interesting way, the fruits of his knowledge and observations. His latest volume is thus characteristic of his work. It is a brochure—this time of the American rather of the Japanese world—but . . . written for English reading Japanese primarily, although all will find the volume entertaining as well as informative.

In the treatment of his subject, the author has taken America month by month beginning with the New Year celebrations and ending with Christmas. And with each month chapter describing the principle seasonal happenings common to all Americans are added pen pictures of representative Americans, present and past. These two elements of the book constitute the "Pageants and Personalities" of America.

As for the pageants, the author has succeeded in most vividly depicting some of the highlights which illuminate the life of the average American and his family during the course of the year. The many photographs and interest to the volume but have evidently been chosen to interest the younger, perhaps student, reader. The pictures are somewhat vivid.

英國の田舎の風物、景物、年中行事を十二ヶ月に分けて説いたもので、著者 Lee は商大、帝大、學習院に教授せられたる人だけに我國人の嗜好をも目安におくことを忘れなかつたと見え、すらすらと面白く讀んでゆかれる。例へば June のところにある結婚風俗の件りなど、Kron などの無味乾燥さと違つて、半顔に笑をたゞへつゝ語つてゐるやうな氣軽さがある。それに文藻にも豊んだ著者として、所々に詩の引用や、諺の説明等がある。Reader を教へるもの、英國の人情風俗を知らんとするものには是非一讀を薦めたい綺麗な有益な本である。

A London Chronicle *Revised Edition*

by *Frank H. Lee*, B. A. OXFORD. *With Illustrations and Notes*

Cloth. 246 pages. **1.50** 〒 10 sen.

Reviewed by the Japan Advertiser :—Having taken his students through an English year in a textbook published about a year ago, Mr. Lee now gives them a year in London. It is easy to see that the subject is again a congenial one. Even to write about London fills him, he says, with a sense of despair, so vast is the subject, so rich in memories, but beginning manfully at Tilbury Docks he gives his readers a thoroughly interesting review of the great city. The book is divided by the months of the year, and though the method is less obviously right than when applied to English country life, Professor Lee ingeniously finds reasons for being in London and enjoying it during all the months. January, as he says, is not London's best month, but then it is the only month in which one can go to the pantomime. With such a genial guide, no wonder that his students call for more.

英語青年批評：—“The English Country Calendar”の姉妹篇ともいふべきもので大倫敦の行進曲を綴つてゐる。PrefaceはLondonの歴史と沿革である、英人の倫敦業から書いて來て、ローマ時代、サクソン時代と次第に移つて現代に至る間に、種々の作家の倫敦觀がちよくちよく引いてある。その後がChronicleの實體で、一年十二ヶ月に分けて倫敦の繁昌記となつてゐる。十二ヶ月246頁は少し退屈しない、案内記の機械的に墮せず、見聞談の冗長に流れずに、兎も角、紹介子の讀んだこの種の本の中では珍らしい好著のやうに思ふ。卷末の註釋も一寸辭典にないやうなことだけが説明してあつて便利、同學の人達の一讀をお薦めしたい所以である。

Compiled, with a Preface by R. BANTOCK, M. A.

Cloth. 161 pages. 1.00 ¥ 6 sen.

Preface :— KATHERINE MANSFIELD, who died in 1923 at the early age of 34, is the greatest English writer of short stories. She is as yet practically unknown in Japan. Her work has been profoundly influenced by the art of Anton Tchegov, the great Russian author of short stories. She has applied to English life the same methods of character drawing that he applied to Russian life. No writer has succeeded better than she in depicting the subtleties of modern English life and character. She is above all an exquisite artist, and her

stories will become classics in English Literature.

Introductory Note:

ALEXANDER WILLIAM KINGLAKE was born in Taunton, Somersetshire, England, on the 5th of August, 1809. After some years' public-school life at Eton under the famous headmaster Dr Keate, he went to Trinity College, Cambridge, in 1828. On leaving the University he studied for the bar, and was called at Lincoln's Inn in 1837. The briefless barrister took advantage of the long vacation to indulge his taste for travel and adventure. The journey, extending over the area from Constantinople to Cairo, was vividly recorded in *Eöthen*, published in 1844. In 1845 he went to Algiers, accompanying the forces of St. Arnaud, and in 1854 another stir of war attracted him to the Crimea, out of which came his *magnum opus*, *The Invasion of the Crimea*, appearing in eight volumes between 1863 and 1887. His parliamentary career, though prolonged for eleven years from 1857 to 1868, may well be regarded as an interlude, for he directed his chief efforts to literary work even during those years. He died peacefully in 1891 at the ripe age of 82.

Eöthen (a Greek word meaning "from the early dawn," "from the East"), which took the reading public of the day by storm and established Kinglake's name in the world of literature, is not a mere story of adventure, nor is it an ordinary narrative of a traveller's journeys from one interesting place to another. It is a faithful record of his own emotions and impressions in face of the most famous scenes on earth. "It is a real book—not a sham." We have here selected ten out of the twenty-nine chapters of the original. Whether the chapters are well chosen or not is a matter to be left to the reader to judge for himself. The only thing that we can say with confidence is that the selected chapters make a fairly complete whole as a book of travel, not a collection of mangled, disconnected pieces. The conditions of the peoples and places described in this book must have naturally changed more or less after the lapse of nearly a century, and the reader, if he wants any up-to-date information about them, must seek for it elsewhere. *Eöthen* is not a guide-book in any sense; it is a work of art; and it must be read and appreciated as such.

THESE talks have been prepared expressly for people who have not been to Great Britain. They give abundant information on the life, customs and ways in the British Isles and the appearance of the country. Scotland, Ireland and Wales are included as well as England.

As each talk was designed to last approximately a quarter of an hour, they are short and each is complete in itself.

Vivid and pictorial, the language is typical of the best spoken English. They have all been delivered in the U. S. A. and have already proved their popularity.

About the British Isles

Edited, with Introduction and Notes by G. CAIGFΛ, F. R. G. S.

Illustrated with 17 photos. Cloth. 206 pages. **1.20** 〒 10 sen.

From the experience gained in Radio Talks, these talks have been edited with a view to making them more interesting to readers. Individually, they are shorter than those in the previous volume. In order that readers should not be held up by avoidable difficulties a number of names of places have been omitted: also references to historical events which needed a great deal of explanation. At the same time the notes are more numerous and more detailed. A map has been included.

“The Citizen of the World” of Oliver Goldsmith (1728-1774) consists of a series of letters supposed to have been written by a Chinese gentleman just arrived in England to his friends in Peking and other parts of the world. We can see how Goldsmith, with his easy flow of English, records his experiences in London and makes humorous observations on English Life. Y. I.

From the "Observer" for the exclusive use of Japanese students in schools and colleges, who are desirous of knowing the views and opinions of one of the outstanding literary critics of the day on life and art.

St. John Greer Ervine:—Irish dramatist and author. Born in Belfast in 1883. Was manager of the Abbey Theatre, Dublin. Served in the Great War and was wounded, resulting in the loss of a leg.

Made a success in his play "Jane Clegg." His play "The First Mrs. Fraser" had a run of 638 performances at the Theatre Royal, Haymarket, London. His "Life of Parnell" evoked mingled praise and controversy.

Has done useful service for the theatre as a vigorous and commonsensible dramatic critic.

The essays in the present volume, which are taken from "Fallodon Papers," were originally given as addresses to various learned societies by the late Viscount Grey.

Although his historic speech in Parliament stating the British position on the eve of the Great War, in 1914, went far to determine his country's participation therein, Lord Grey will undoubtedly be remembered as the European statesman who, above all others, has striven heart and soul to prevent the catastrophe. Sir Edward Grey, as he was then, had become Foreign Secretary in 1905, and retained that office until 1916. He was raised to the Peerage, as first Viscount Grey of Fallodon, in that year.

The Passing of the Third Floor

Back *An Idle Fancy In A Prologue, A Play,
and An Epilogue* by **Jerome K. Jerome**

With an Introduction and Notes by A. F. THOMAS M.A. (OXON).

(Illustrated) Cloth. 133 pages. **1.00** ₣ 8 sen.

The Walsall Observer, London:—

Japan and Jerome Japan's enthusiasm for Jerome's famous play, "The Passing of the Third Floor Back," must be greater than Walsall's. After its production in Tokyo by Mr. A. F. Thomas, as recorded in the "Observer," there was a demand for an annotated edition of the play for use in the schools of Japan.

This edition, by Mr. Thomas, has now been published; and Jerome's influence, as embodied in that play, is going to be very active among the young people of the "England of the East."

That influence might be specially valuable in Japan, as among other nations, in these days when the old National antagonisms seem to be gaining the upper hand so fast. The central idea of the play is a subtle influence, developing in all the characters a new pride in self which expresses itself in greater consideration for others.

If the nations could be influenced as the London boarding-house "cats" were influenced by *The Stranger* the world outlook would not be so disquieting as it is—with a steady drift towards another great war.

The Book Especially do we congratulate Mr. Thomas, and the Japanese publishers (*The Hokuseido Press*), on the excellence of the book of the play. We know of nothing so good on that play in this country; and it would be a pleasure to know that copies could be made available for use in Walsall schools. If good enough for Japan is it not good enough for Walsall? Or is there more imagination in Japan?

"Hell to Heaven" Mr. Thomas, whose home is in Wolverhampton, and who, after being with Professor Whitfield, of Walsall, at Exeter College, Oxford, is now associated with him in educational work in Japan, writes very interestingly about the difficulty the Japanese had in rendering the title of the play in their own language.

"The Passing of the Third Floor Back" did not lend itself to a literal translation (he writes) as customs here are so different, and the wording means even less than it does to English

people who do not know the play. The Japanese, therefore, decided, after much discussion, to render the title in their own language as—"From Hell to Heaven." This was not so bad, I thought.

It is, indeed, quite a happy rendering of a none-too-happy title. We have often thought that "The Stranger" would have been a better title for the play. But the Japanese interpretation is even better. The play does lift those common, quarrelling, vain boarding house folk out of their hell into the heaven of good fellowship and mutual helpfulness.

Walsall Performance All of this brings us round to the question of that other promised performance in Walsall of Jerome's play, which gave so much pleasure at Her Majesty's Theatre in 1931. Would it be possible to get it in by Jerome's birthday on May 4?

And (this we only whisper) would not the play lend itself beautifully to Mr. Percy Edgar's plans for giving the best to Midland Regional listeners?

An Introduction to English Poetry

Selected by S. H. BATTY-SMITH.

Handsomely Bound in Cloth. 120 pages. 1.00 円 8 sen.

The justification of the present book is that I have not found a selection exactly suited to the Third Year students of a Japanese High School.

The Third Year student of a Japanese High School is curious about English poetry; he wants to be introduced to it and he is capable of understanding it, but he has not time to spend in the by-ways, lovely though they be, and he can not yet cope with obscurities.

I have taken fifty poets and tried to show him what manner of work was done by each at his or her best and most typical. The task is difficult. For Milton must be shown being majestic but not Biblical, Blake being religious but not mystical, Burns being neither stilted nor unintelligibly Scots, Wordsworth being simple but not prosaic, Scott romantic but free from fustian, Byron being Byronic but not ridiculous. One must try to show why Tennyson meant what he did to his age and to exhibit his perfect dictions but not his weakness, Browning must be rugged but not crabbed, Swinburne must mean something and not merely drug us with melody, Kipling must be patriotic and virile but not blatant.

Cloth. 194 pages. 1.50 円 8 sen.

黄昏には人の心は總て嚴肅になる、眞面目になる、深刻になる。人一倍に敏感な詩人が、此時の感激に歌ひ出でたる自然の魂の聲十五、或者は之れに無常を觀じ、或者は之れに潑刺たる創造の色を見る、或者は古傳説に乙女の純なる念願を偲び、或者は友の情けに去にし日の面影を追ふ。病苦に負けじ魂の勇壯を歌つてゐるものもあれば、夜半の暴風雨に大自然の威力を讃嘆してゐるものもある。とりどりにその生活境遇思索に應じて特殊の趣を示しつつ、相集成して一卷となり、グレイ以下現代まで英國詩人の思想感情を鳥瞰的に表してゐる。

一詩人毎に一詩を取り、小説、評傳、詩、韻律の四項に分けて其順序に列べてある。詩の本文には、難澁の字句に星點を施し、卷末に註釋のあることを示す。各詩の韻律は、編者の最も骨折つた部分で、釋脚の分切、長短抑揚は從來用ゐられて居る制規の記號に依つて表し、變格其他特に注意すべき點は、其都度一々術語を以つて小註を施し、術語は卷末に於て詳しく説明せられてゐる。卷末の註解は詩中の字句の註釋と韻律法の術語の説明と混交して A B C 順に排列してあるから字句の註釋と韻律法とを一緒にした小字典のやうなものである。

them first. After all, they make up by far the greatest part of the school population of the country. A child starts in the elementary school usually at the age of five. He goes into the 'infants' or junior department, which is 'mixed,' that is to say, it contains both boys and girls. There a child learns how to read and write; he also learns elementary arithmetic—addition, subtraction, multiplication, and division. He learns the first principles of drawing, perhaps modelling in plasticine or some similar simple art or craft. He learns singing, and reads fairy stories like the tales of Andersen and Grimm—in the highest standards perhaps 'Alice in Wonderland' or 'Peter Pan.' (A. A. Milne's children's books are popular, too, they tell me.) He learns stories from the Bible—Bible study is usually called 'Scripture'—and he's taught some of the more important facts of English geography and English history—though the history usually consists mostly of patriotic stories of the past whose truth is often, to say the least, somewhat doubtful. When he's seven or eight, he's ready for the senior department. That's usually divided into two separate sections, one for boys, and the other for girls. There he'll continue his studies on the same lines as in the junior department, though the work, of course, will be more difficult. He'll begin to study natural science and the arithmetic he'll do may, by the time he's about twelve, lead to algebra and the

頼もしき人

頼もしき人とは、技倆の卓越する人を意味せず、才能の秀抜なる人を意味せず、學問の深博なるを意味せず、辯舌の雄大なるを意味せず、文筆の拔群なるを意味せず、信用すべき人を意味す。 徳富蘇峰

【註】 (1) 頼もしき trusty; reliable; trustworthy. (2) 技倆の卓越せる人 a man with a superb skill; a man of parts. (3) 才能の秀抜なる人 a person who has eminent abilities; a person who is pre-eminent for his abilities. (4) 學問の深博なる人 a man of profound learning; a very learned man; a man who is eminent for learning. (5) 辯舌の雄大 eloquent; a grand orator; a man who has a rare gift of eloquence. (6) 文筆の拔群 a peerless writer; a man who is unrivalled in writing. (7) 信用すべき may be relied upon; to deserve one's confidence.

For Preparatory Study.

1. A good citizen does not mean a high-tax payer, nor a shrewd politician, nor a learned man, nor does he mean an excellent artist. He does mean a common man who does his duty conscientiously to his utmost.

2. What is meant by a gentleman here is not a man of wealth and leisure, nor a man of good social position, but a man of chivalrous instincts, fine feelings and good breeding.

NOWHERE will be found a better handy volume of English colloquialisms. It is entirely up-to-date, clear, comprehensive and convenient.

The Four Features of the Book :

1. It is really up-to-date, and includes a great many of the slang expressions produced during and after the War.
2. Besides being a book of reference, it furnishes ample material for practice of spoken English. It gives full examples for every expression contained.
3. It is the only dictionary now in existence, that furnishes the readers with directions about the usage of each expression, showing how and when it is used.
4. It is most attentive to the needs of foreign students of English. It contains a number of colloquialisms which are missing in other books of the kind, owing to their being considered too ordinary, but in actual fact, are found to be puzzling to foreigners.

Dr. F. Delatte :— Les dictionnaires d'idiotismes anglais, les plus frequemment employes en Belgique sont, je pense, ceux de Burvenich et de Kirkpatrick. Celui de Lyell connaîtra certainement le meme succes chez nous. Il merite d'etre acquis et conserve a cote des precedents. Ces trois ouvrages se completent en effet, aucun d'eux n'epuisant le sujet. Le dictionnaire de Lyell se recommande pour plusieurs raisons: d'abord il est tout-a-fait "up-to-date" et contient des tournures nouvelles; ensuite il signale si la formule donnee appartient au langage litteraire, ordinaire, familier, vulgaire (renseignements excessivement precieux pour les etrangers); de plus chaque expression est accompagnee de sa prononciation (systeme phonetique de Jones), de sa signification et surtout d'un exemple qui la precise avec une nettete remarquable; il a fallu des annees de recherches patientes pour arriver a tant d'exactitude.

1. “He's a real acquisition to any school. Not only is he a delightful fellow, but as a teacher *he's absolutely it!*”

2. “What! d'you mean to tell me you don't know the name of Sir Jagadish Chandra Bose? Why, among Biologists, *he's it!*”

Itch for; To have (get) an: [tə 'hæv ('get) ən 'itʃ fɔ:] to have a great desire or craving for. (F)
The expression more generally used is:—

Itching for; To be (have an): [tə bi: (hæv ən) 'itʃɪŋ fɔ:] (F)

“Do let's get out of this place soon. *I'm simply itching for a smoke!*”

Itching ears; To have: [tə hæv 'itʃɪŋ i:əz] See under **Ears**.

Itching palm; To have an: [tə hæv ən 'itʃɪŋ 'pɑ:m] to be very avaricious. (F)

“Surely you didn't expect to meet with any generosity from a fellow with *such an itching palm* as his. He'd sell the hair off his grandmother's head, if she had any!”

J

Jack of all trades; A: [ə 'dʒæk əv 'ɔ:l treɪdz] one who can turn his hand to all sorts of occupations. The phrase is often used in a depreciatory sense in ‘A jack of all trades and master of none’, of one

an inability to fit himself to modern life. Also wrote literary dramas: *Queen Mary*, 1875; *Harold*, 1877; *The Cup*, and *The Falcon*, 1884; *The Promise of May*, 1886; *The Foresters*, 1892. Little dramatic interest. *Becket*, 1884, is the most impressive of this group. Tennyson's brothers, Frederick (1807-1898) and Charles (1808-1879) were also poets.

THE BROWNINGS

ROBERT BROWNING (1812-1889).

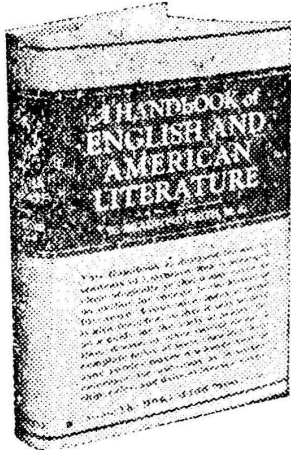

Love the main theme of his poems and philosophy. Style highly personal and dramatic; dynamic and energetic. Most of his poems relate to the development of personality and the subtle analysis of character.

Pauline, 1833; and *Paracelsus*, 1835; early poems showing his thirst for knowledge and awareness of the dawning age of science. *Sordello*, 1840, a difficult poem based on Italian history.

Belles and Pomegranates, issued as poetic pamphlets, 1841-46; contained most of his poetic dramas: *Stratford*, 1837; *Pippa Passes*, 1841, which has the famous character of Pippa, the little silk worker, and her unconscious influence on those about her. Also some fine lyrics. *King Victor and King Charles*, 1842; *Return of the Druses*, 1843; *A Blot on the 'Scutcheon*, 1843; *Colombe's Birthday*, 1844; *Luria*, 1846; *A Soul's*

Times, Literary Supplement, London: — Mr. W. Bradford Smith has with great industry compiled for the use of Japanese students chronological lists of English and American writers, including philosophers, historians, &c., giving dated references to their principal works, and appending the briefest possible comments, also notes on characteristics of the various periods. None of those last is more than the most summary pointing finger, and the book in general must be regarded primarily as an exhaustive reading-list, based on commonly current critical judgments. An index of over 5,000 entries adds to its usefulness in this kind.

The Works of Lafcadio Hearn

小泉八雲に関する各書

Works of Hearn published by the Hokuseido Press

小泉八雲「英文學講義集」完全版の 完成に就いて

本講義集全四卷は、弊堂がヘルン先生の親友であり、先生歿後遺稿管理者たるミッチェル・マクドナルド氏の遺志を奉じ、長年月の間、眞心をこめて、その刊行に微力を盡してまゐりましたところ、昭和九年九月二十六日の先生の三十周年忌を記念として漸く其完成版を見、「英文學史」(改訂三版)「文學論」「詩人論」(内未發表九章含む)「詩論」(内未發表十五章含む)大冊四卷を世におくるを得ましたことは故人の冥々裡に於ける御庇護は勿論、斯界諸先生の御支持と本書の編纂校正に多年獻身的努力をおしまれなかつた諸先生の御盡力に基づくものであつて感激に堪えない次第で御座います。

願れば大正十二年の大震災に打ちのめされた時、私をして奮起せしめたものはその一年前グランドホテルの二階でマクドナルド氏が私の右手をしかと握り締め老の眼に涙を湛へて申された次の言葉でありました。『君はまだ若い青年である、私の最も親しかつたラフカディオが歿して既に二十年、私もまた七十の齡を迎へて餘命幾許もなからう、若い君が今後長い年月の間にかの偉大な文豪の遺著を發行してくれたならば親友であつた私ばかりでなく、雜司ヶ谷の地下に眠るラフカディオもどんなに満足することであらう……』。同氏は震災で歿せられたが私はこの知遇に感激してヘルン先生の遺稿出版を畢生の使命となさんと決心し爾來微力乍らも誠心誠意以て氏の遺志の萬分一にも報ひたいものと念願して來たのであります。

さてヘルン先生が東京帝國大學に於いて七年間に亘つてなされた英文學講義は、先生の口から流るゝ如く洩れたそのまゝが、珠玉の如く美しく、實に英文壇無二の名評論であり

まして、當時米國にて出版を勧誘せられたことも一再ならざる有様でありました。先生歿せられるやマクドナルド氏はこの名講義を當時の學生のみに私さすを惜んで大谷正信、田部隆次、落合貞三郎、茨木清次郎、内ヶ崎作三郎、栗原基、小日向定次郎、石川林四郎、岸重次諸氏のノートを狩り集め、それらを基礎としてタイプライターに打ち上げたものゝ一部分をコロンビア大學のアースキン教授に提供され、「文學解説」「英詩鑑賞」等の公刊となつたのであります。かくて作家としてのヘルンが、同時にまた卓抜なる文學批評家として識者の絶讃するところとなつたことはあまりにも有名であります。然るに既刊の米國版は先生の講義中の一部分でありまして博覽強記の先生の名講義はこれ以外實に廣範圍に及んで居るのであります。その涉獵せる領域の廣いこと、その取扱はれたる題目の多種多類なること、實際一人にして斯くの如く評論の多量と多方面を示す人が古今の東西を通じて他にありやと驚かさしめるのであります。これら四卷全部の目次を一瞥されたならば誰人も思ひ半ばに過ぎるものがあらうと存じます。そこで弊堂が未發表の諸講義を全部網羅せる、この完全版刊行の計畫を立てましてから、先生の愛弟子であつた田部、落合兩教授は、改めて當時のノートより集録し嚴密な校訂を施され、更に富山高校ヘルン文庫の西崎教授に囑して故先生の全藏書を博搜校合して貰ひ名實共にこゝに完全版としてのヘルン文學評論の全貌を明かにした次第であります。

幸にして本講義は今や世界的に高評を博し、先きには英吉利の一大批評家センツベリー教授より、又本書完成の際同じく英吉利の大文豪キップリング教授より賞讃と激勵の私書を寄せられ、ロンドン・タイムス紙は「北星堂版は其何れの部分を見るも決定版の烙印を捺されて居る」と讃辭を掲げて廣く歐米の英文學界に紹介しました事は弊堂の光榮と欣快之れに過ぎない次第で御座います。

The Volumes, edited by Professor R. Tanabe, Professor T. Ochiai and Professor I. Nishizaki, contain all the lectures delivered by Hearn at the Tokyo Imperial University during the period 1896-1903, including many hitherto-unpublished, and form the most important contribution to literary criticism by Lafcadio Hearn.

Of these lectures of Hearn, Professor Erskine, of Columbia University, writes: “They are criticism of the finest kind; have a unique place in English literature, unmatched in quality by any but the best of Coleridge.”

Opinions of the Press

on the Complete Lafcadio Hearn Lectures

The Times, London:—“As an introducer of poets, and mostly of nineteenth-century poets, to the young the intimate simplicity of his manner, with its liberal quotation and clarifying paraphrases, could hardly be bettered. This is in fact a book which should above all be in the possession of all school libraries. The publisher, indeed, shares with the editors the achievement of producing an edition of Hearn’s lectures which has finality stamped on every part of it.”

The Bookman, London:—“The Hokuseido Press issues these volumes of Hearn, I understand, without the usual motive for publishing—a profit; in honour of him rather, and towards the completion of a general idea of his works. They are evidences of the progress of Japanese book-production on Western lines; the printing, with its American characteristics, is sound, and in the present volume especially it is handsome.”

The Times Literary Supplement, London:—“The genius with which he grafts English literature upon Japanese culture and mythopea is an example to all lecturers and teachers in the art of finding the soil for the seed and the seed for the soil. The volume is worthily produced and printed, and bound by craftsmen who care for their work.”

The Daily Telegraph, London:—“It is extraordinary how simple these lectures are without being bald or dull. Only a fine scholar who was also a writer of real distinction could have given them. As a critic Hearn is always stimulating because of his wide sympathies and independent judgment, qualities which are of special value in his estimates of writers of or near his own time.”

The New York Times:—“The piety of his Japanese pupils and friends, fulfilling the request of the late Mitchell McDonald, one of the few men with whom he succeeded in getting along to the last, has raised an appropriate monument to him, by the publication of his books in comely form and at low prices.”

The Times Literary Supplement, London:—“The painstaking labour which admirers in both America and Japan have devoted to editing Hearn’s lectures and journalistic articles is proof enough of the interest and devotion which he inspired. . . . The real superiority of the Japanese edition lies in the fact that it is selectively planned and admirably produced and indexed, and that it contains certain lectures which were left unused in the possession of the Hearn family and are now published for the first time.”

The Observer, London:—“A word of praise must be given to the excellent technical work of the Hokuseido Press, which is doing so much to popularise the works of Lafcadio Hearn.”

Some Strange English Literary Figures of the Eighteenth and Nineteenth Centuries

IN A SERIES OF LECTURES

英文學畸人傳 (*Out of Print*)

by **Lafcadio Hearn** Edited by R. TANABE.

This book contains Lafcadio Hearn's confidential lectures on 10 strange figures in English Literature given to a small group of advanced students at Tokyo Imperial University.

Profound sympathy on the part of Hearn, who also was quite a character, with strange geniuses in English Literature characterizes his lectures.

Hearn never lectured on similar subjects again, except on William Blake, and his second lecture on Blake is included in this book.

The ten strange figures treated by Hearn are William Blake, Bernard de Mandeville, Erasmus Darwin, William Beckford, Christopher Smart, George Borrow, Monk Lewis, Thomas Lowell Beddoes, Walter Savage Landor and Thomas Love Peacock, who all have left strong and peculiar landmarks in English literature.

Edited by SANKI ICHIKAWA.

Gilt-topped, handsomely bound in cloth. 10×7"

THE following articles by Lafcadio Hearn dealing with American literature and belles-lettres in general were collected by Mr. Albert Mordell, of Philadelphia, who is well-known as an indefatigable collector and editor of Hearn's newspaper and Magazine writings. The MS. of the present volume has been entrusted to me by Mr. Mordell for publication in Japan and I have gladly complied with his request. . . . It is now a quarter of a century since he died in Tokyo and though his name is not likely to be forgotten yet it is our duty to keep alive the memory of a man who has done so much for our country. . . .

本書は莫大な數にのぼるヘルン著作及其他翻譯を詳細に調べ上げ、又ヘルンに関する世界各國の文献を細大網羅したる無二のハーン書誌。

The Bookman, London:—The Hokuseido Press, which has done so much for Japanese literature, and especially for the appreciation of Japanese literature outside Japan—one remembers an excellent volume of plays—has once again put the literary world, internationally speaking, in its debt. This is a book which is equally serviceable to the student and the collector. Hearn may be a star only of the second magnitude, yet he was a luminary and not a mere precious scribbler. And for one reason and another his works are sought after—"collected." Here the importance of the Japanese publications comes in. Dr. Ichikawa, whose introduction is admirable to its purpose, and goes beyond bibliography, supervised the descriptions of the Japanese issues. There are many copies sold as first editions which would prove to be reprints if the Japanese text were to be translated. The bibliography is of course exhaustive. When one considers that Hearn has been translated into almost a score of languages, one sees that the stellar name is just. Periodicals and newspapers containing original work are listed; books about Hearn; periodicals and newspapers containing reviews and appreciations of him; the few writings which have been set to music. Even unpublished manuscripts and lectures about Hearn are included. And it is good to know that the Hokuseido have in hand the complete University Lectures in three volumes. About half of this is new material—the whole is to be revised from the original services.

**THE IDYL: My Personal Reminiscences
of Lafcadio Hearn** by LÉONA QUEYROUZE BAREL.

Handsomely bound in Japanese cloth. 10×7" 5.00 ₣ 21 sen.

A volume indispensable to the students of Lafcadio Hearn.

It is a tribute to Hearn in his New Orleans days, dealing with an aspect, hitherto untouched, of his nature, written in a beautiful prose-poetic style. The volume contains the photographs of the letters of Hearn to the author, and is also beautifully illustrated with Japanese sketches, being printed on Japanese *torinoko paper* which Hearn liked to use. The work forms a unique, important contribution to Hearn literature.

American Literature, Duke University:—Mr. Barel's book on Hearn is the tribute of one romantic to another. The author, a Creole lady, knew Hearn in his last year (1887) at New Orleans, having met him in the bookshop of Mr. Garcin, a dealer in rare and exotic volumes. A brief but rare intellectual friendship developed through Hearn's frequent visits at the home of Miss Queyrouze; and the spirit and fragrance of this friendship she records in this pæon of praise to Hearn, the artist in words.

The book is valuable, aside from its delightful Japanese sketches and Mrs. Barel's commentary on the personality of Hearn, chiefly because it prints for the first time half a dozen of his letters. In the volume are also included photostatic copies of the letters. The first letter, the most important, was sent as a criticism of one of Miss Queyrouze's attempts in blank verse. Hearn advises her to try something in the field of realism and leave blank verse to the genius. The other letters are in a tone of friendly banter, reflecting mutual interest in things literary. The book adds relatively little to our knowledge of Lafcadio Hearn.

Cloth. 241 pp. **2.00** 〒 8 sen.

The most important translations Hearn ever made. The volume should be a delight to both lovers and students of Hearn and Loti. In Loti Hearn found a writer who had literary tastes similar to his own, an artist who carried out his own artistic theories successively. “Neither our De Quinceys nor our Coleridges nor our Byrons,” Hearn writes, “could have written such things—prose more poetical than all English poetry.” The volume contains many Loti stories to be published for the first time in book form in English.

The Observer, London:—Many of those translations, along with some others, that have not hitherto appeared in English, are presented to us in “STORIES FROM PIERRE LOTI.” A word of praise must be given to the excellent technical work of the Hokuseido Press, which is doing so much to popularise the works of Lafcadio Hearn.

Sketches & Tales from the French

佛蘭西文學名作集

With Preface by ALBERT MORDELL

Cloth. 195 pages. **1.70** 円 8 sen.

The present volume contains probably the cream of Hearn's miscellaneous translations from the French, and both original and translation are of a highly literary character. No doubt the reader will welcome the fascinating short stories Hearn chose from the French authors he loved.

THEOPHILE GAUTIER:

Two Actors for One Role.

GUSTAVE FLAUBERT:

The Crucified Lions.

The Phalanx in Battle.

The Sacrifice; Moloch the Devourer.

COMTE DE VILLIERS DE L'ISLE-ADAM:

The Secret of the Scaffold.

The Story of Tse-I-La.

The Doctor's Heroism.

FRANCOIS COPPEE:

The Blessed Bread.

The Invitation to Sleep.

The Medal.

Lafcadio Hearn

With Preface by

ALBERT MORDELL

Cloth. 96 pp. **1.20** 円 8 sen.

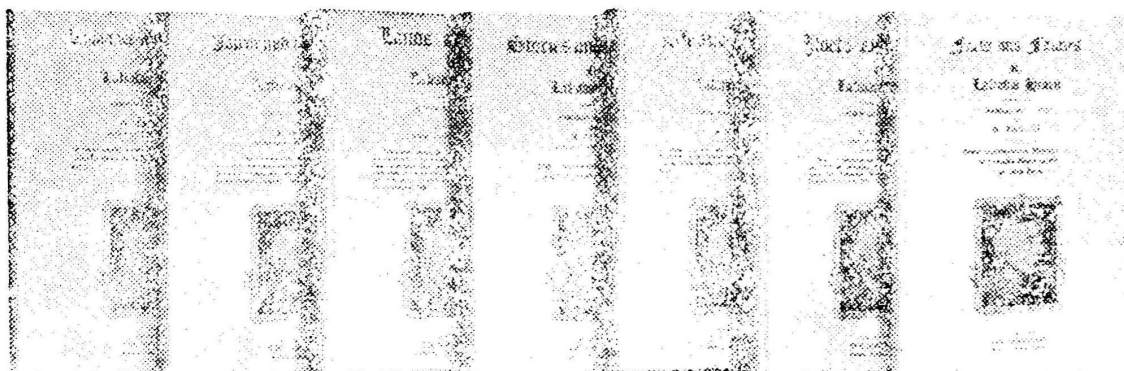

Hearn had sympathy and admiration for Zola, and made quite a number of translations from journalistic work and fiction by the French writer. He also wrote book reviews of Zola's novels often and even did a biographical sketch of the man. The present volume contains the biographical sketch and the famous fascinating story "Fight at the Mill", probably the most important translation from Zola, and two other stories.

EMILE ZOLA; A NOTE.
A PEASANT'S DEATH.

THE FIGHT AT THE MILL.
A RICH MAN'S DEATH.

A New Contribution to the Study of Lafcadio Hearn

Unfamiliar Lafcadio Hearn

by **Kenneth P. Kirkwood** (Limited Edition)

With Illustration.

97 pages.

1.50

₹ 8 sen.

The book is an attempt to fill the gaps in the portraiture of Lafcadio Hearn, some aspects of his life and character that have been left untouched by his biographers. First comes "the important phase of Hearn's transition from a frustrated career in the West to a career of fulfilment and relative happiness in the East." The crucial turning point in his life is described somewhat in detail, with the reasons and methods of Hearn's journey to the Orient. The other chapters comprise a study of one special aspect of Hearn's character, namely his profound love for animals; and an attempt to reveal Hearn as a literary craftsman, and also to reveal his merits as a poet, recovering from his scattered works some of his verses exemplifying his latent poetic gifts.

1. Hearn's Transition.
2. Hearn the Animal Lover.
3. Hearn as Poet and Craftsman.

Times, Literary Supplement, London:—The first of these books is an attempt to fill certain gaps in the study of Lafcadio Hearn's life and personality. Mr. Kirkwood is well aware that the Hearn cult has left little of importance to be discovered and he avoids going over ground already thoroughly explored, concentrating instead on three aspects which have not received the emphasis they deserve. The first of these is the "freak of circumstance" that brought Hearn to Japan and from a frustrated career in the West to one of fulfilment and relative happiness in the East. The circumstances of this crucial turning point, and particularly the part played in it by Sir William Van Horne, President of the Canadian Pacific Railway, are given in greater detail than hitherto. And the actual journey across Canada and the Pacific Ocean is described with quotations from Hearn's own article, "A Winter Journey to Japan." The second section of the essay is a brief review of Hearn as a lover of animals, birds, insects, and of all small life; while the third is a study of his talent as a writer of verse as well as of prose. Mr. Kirkwood admits that Hearn's verses were occasional and in many cases ephemeral, but he has collected enough examples to show that he was a genuine though minor poet in metrical forms. Equally interesting is the concluding section, in which he reveals Hearn's painstaking methods as a prose-writer by quotations from his lectures and letters. Altogether the book, though short, does focus Hearn significantly from several angles and is agreeably composed and written.

Letters from B. H. Chamberlain to Lafcadio Hearn

ヘルンに宛てたチェンバレン教授の手紙

Compiled by **Kazuo Koizumi**

Gilt-topped, handsomely bound in cloth.

9 $\frac{2}{3}$ × 6 $\frac{1}{3}$ '' 158 pages. **3.50** 〒 22 sen.

The lonely soul of Hearn apparently found in Prof. Chamberlain one of the few in Japan with whom he could talk on equal terms, one to whom he could freely speak his mind. Theirs were different characters,—Hearn, who was more emotional, making a striking contrast to Chamberlain, who called himself “cold-blooded northerner.” Still the intellectual associations between the two were very intimate and of high order, and there was, the letters show, a perfect understanding between them. Prof. Chamberlain’s letters to Hearn, which are collected in this volume by his son Kazuo Koizumi, are a memorial to the intimate associations and give most interesting sidelights upon Hearn as well as Chamberlain.

The topics dealt with cover almost anything from “shalls and wills” to the woman question, and in the letters the erudite reveals himself humourous, versatile, critical and appreciative toward his friend and other contemporaries. Along with “The Japanese Letters of Lafcadio Hearn” edited by Mrs. Elizabeth Bisland and published by Houghton, Mifflin & Co., these letters of Chamberlain should occupy an important place in the Hearniana and in the Chamberlain literature.

Times, Literary Supplement, London:— Professor Chamberlain befriended Hearn from the first day of his arrival in Japan and was his closest friend and correspondent during his residence there. Hearn’s letters to him have already been published, and now his son Kazuo Koizumi has collected those in which the Professor replied. In one of them he wrote that “Nothing, to my taste, can atone for want of truth and balance. I like moderation, sobriety, all that the Greeks meant by μεσότης.” And this quality informs his correspondence. It contains no surprising or appetising intimacies but continually impresses by a blend of friendliness and judicious thought. Many of the topics dealt with are necessarily Japanese, and his estimate of the Japanese by comparison with Europeans is the more interesting as coming from such a lover of Japan. But the letters are almost as full of literary comments as of topical references, and the critical quality of these is high. Indeed, the letters have a value apart from their relation to Hearn as the expression of a finely balanced mind and a character of unusual integrity.

The Times, Literary Supplement, London:—
Professor Chamberlain's qualities as a man and letter-writer were revealed in an earlier volume of letters to Lafcadio Hearn which were also collected by Hearn's son. The additional letters which form the bulk of this volume confirm the impression of brisk sagacity. In one of them he confessed to being "a cold-blooded northerner and an agnostic by temperament," and in another described himself as "a humdrum compiler of grammar and guide-books." But this did not prevent him from having good taste and judgment in literature, and his descriptions of his own methods of composition or what he called the labours of an "easy natural style" are as critically searching as his views of the Boston school of writers. There was a snap, too, in many of his phrases as when he spoke of "those frank Spanish manners which are simply kindness codified." The phrase might equally well be applied to his own relationship with Hearn, and while his letters inevitably contain much small chat of transitory interest, they are bracingly human and intelligent. Almost the last of them contained an invitation to Hearn to accept the Chair of English Literature in the Imperial University at Tokyo, and the few letters from Professor Toyama relate to his acceptance of it.

“Fifty Famous Stories” は米人 James Baldwin 氏の筆になり、五十の有名な物語を集めたものである。其材料は正史に出づるものと、傳説によるものもあり、物語の種類も、或は壯烈、或は悲痛、是は優雅に、彼は滑稽、極めて變化に富んで居るが、何れも古來人口に膾炙せるもので、書籍にも御話にも常に引用され、従て英語を學ぶ者は是非一通り知つて置かねばならぬ條なものばかりである、のみならず、元々少年少女の讀み物として綴られたものであるから、文體が極めて簡潔平明で英語初學者の伴侶として最も好適の書である。

本書は獨習者の爲にするものであるから、解し易きを主眼とし、出來得る限りの逐語譯を施し、注意すべき語句構文等は註の中に詳説した。本書を熟讀せば進んで程度の高い英文を讀む上にも、又自ら英文を綴る上にも、益する處が尠くないと信ずる。（教科書に共通す）

文 字 の 読 み 方

日本語には「いろは」四十七文字あるが、英語には **a b c** 二十六文字しかない、といふと大層数が少なくてわけなく覚えられさうだが、其二十六文字の名前が、「い」「ろ」「は」などといふ簡単明瞭なものでなくて、^{エーイ ビー スイー}**a b c** などはまだしも、中には ^{ダブルユー}**w** などといふ恐ろしく長い名のついたのがあるから頗る厄介である、併しいくらむづかしくても高が二十六文字、まづ文字の形と名前を覚える事にしよう。筆記體を一々挿入して行くのはうるさいから省いて印刷體だけを記す。

A a は「エー」と引張つて終りが軽く「イ」になるやう、即ち「エーィ」といふやうな風に讀む。只眞直に「エー」と引張つたばかりではいけない、併し又「エ・イ」とはつきり二音にわけては尙いけない。

B b は「ビー」と眞直でよろしい。

C c はよく「シー」と書くけれど本當は「シイー」ではない。「ス」を長く引張るとしまひが「ウー」となるが、「ス」といひかけてしまひが「ウー」にならずに「イイー」になるやう、即ち「スィイー」といふやうにいへば此文字の讀み方になる。これも「ス・イイー」と二音にならぬやう、「スィイー」と一音にいへばならぬ。

D d は「デ」といひかけて、しまいが「エー」にならないで「イイー」になるやうにいふ、即ち「ディイー」である。「デー」や「ヂー」にならぬやう呉々も注意を要す。

(A B C の読み方から内容見本) (其の二)

△ **this** の「ズィ」は the (ズィー) の時の様に舌端を上下の前歯で嚙んで發音するのである。△それから rat (レット); big (ビク); get (ゲット); this (ズィス) 等の「ト」「グ」「ス」は「ト」から「オ」を削つた音、「グ」「ス」から「ウ」を削つた音である事を忘れてはならぬ。

〔意義〕 △ **get** は廣く「手を入れる」といふ意で、「取る」「貰ふ」「買ふ」乃至は盗んでも手に入れるのは皆 **get** といふて構はないのである、だから場合に應じて都合のいゝ様に譯すがよい。△ **can** は外の動詞と結合して、「何々する事が出来る」「何々し能ふ」「何々する事を得」などいふ意味をなす語。△ **this** は「これ(が)」とか「これ(は)」など物を指していふ語。

Praha, Československo

Japan, the beautiful land of the rising sun would not be so well known if Mr. Nakatsuchi, proprietor of the Hokuseido Press, would not take so much interest to introduce it to foreign readers through his beautiful books.

Mr. Hugh Byas,

London Times and New York Times

I first began reviewing the Hokuseido volumes of Lafcadio Hearn nearly 20 years ago. The last Hokuseido volume I have read was the Fukuzawa Autobiography. In these years the Hokuseido Press has progressed until, in the technical quality of its productions, it need not fear comparison with the presses of London and New York. Mr. Nakatsuchi, its moving spirits, has not only performed a pious duty by his editing and publishing of Hearn; he has given pleasure to thousands and he has helped to build up the good fame of Japan.

On November 4th, 1902, the author sailed for China as a junior reporter on the *North China Daily News*.

For thirty-three years he held posts of considerable importance in various parts of the country, and therefore may be said to be an authority on the manifold and tangled problems of that teeming land as well as of the Far East at large. He sheds much light on the peculiar difficulties, responsibilities and opportunities of a British journalist in the Far East, in addition to much interesting information of a general character.

Chinese pirates, opium traffickers, Foreign Courts, Bolshevik plots, war, sport and politics, the role of Japan in Manchuria and the birth of Manchoukuo all come under review and are seen from an angle that few other journalists of Woodhead's calibre can obtain. It is a book that should be read by all those who wish to get a real insight into the vast complexities of China and her people and other Far Eastern nations.

The author has presented in the ensuing pages his reactions to and his knowledge of the Japan that lies below the surface for most foreign residents. It is one of

the first books of this type to appear in more than twenty years, and one can not but think of Lafcadio Hearn in the way in which Mr. F. H. Hedges has written.

If one is interested in Japan, or in good literature, it is a book that cannot afford to be missed.

東方文化の再吟味が國の内外を通じてしきりに云々せられる秋に當つて、數年前米國に於て出版せられた本書訂正再版の要望の熾烈なるものあり、即ち我「日本改訂版」の發行を以て此要望に答へんとしたものである。世界最大の叙情詩人の一人李白の英譯は既に歐米人による數種を數へるが、眞に中洋詩人の情緒を把握し得るものは我小畑薰良氏譯を以て唯一とする。本書中の數篇は既に樂曲に作曲せられ其中の二曲はオクスフォード大學出版部より發行されて居る。

‘There are ballads, and travels, and poems to the emperor, and moon, lotus, peach tree, picture screen and temple poems. There is sadness, and there is joy, and beauty lurks everywhere’. The work is limpid, luminous, plangent, musical, with a fine definiteness of outline and colour in the phrasing.

Pilot and Shogun: A Story of Old Japan

彼 と 同 郷 で あ り、又 彼 と 同 年 輩 で あ っ た シエークスピーアや、安針を厚遇した將軍徳川家康等を以てし、鎖國封建日本を背景に歐洲史點描を混へ數奇と豪華、冒險と人間味、小説にして史實、小説より面白き史實である。

The story of a great Englishman and the greatest of the Shoguns, Iyeyasu. Will Adams the Kentishman, after serving as pilot in Queen Elizabeth's ships, was hired by a Dutch trading company to steer their "fleet of five sayle" to the Far East via Cape Horn—carrying broadcloth and gunpowder to be exchanged for spices from the Moluccas. Only one ship survived the stormy voyage, and it was wrecked off Japan. Adams was haled before the Shogun as a red-handed pirate, but his straightforward honesty not only saved his life but led to one of the most astonishing friendships in history. Adventures are the marrow of "Pilot & Shogun," which reads like a motion picture.

The London Times :—We know of no book that gives a more suggestive outline of ‘the Seven Ages of Japan’ and a more thoughtful picture of the spiritual and æsthetic as well as social and political forces that have moulded a highly gifted Asiatic nation destinies which still lie in the womb of the future, but cannot fail to influence immensely both the Western and the Eastern world.

The Observer, London :—It is an excellent and sympathetic summary of Japanese history and aspiration and is of special interest in its treatment of such problems as the emigration question and the development of Japanese industry. Mr. Scherer is the author of other well-known books on Japan, but desires that this new volume shall “supersede” them.

The legends, traditions and fairy stories which surround these decorative little figures, are *collected for the first time either in English or Japanese.* The book is *an illustrated record of the Festivals, with ample explanations historic or legendary, of the dolls and the scenes that they represent.*

The Scottish Geographical Magazine, Edinburgh:—The spirit of a country and the characteristics of a people may be studied even in the playthings of the children. But the dolls of Japan are not mere playthings. The little figures which are used in the Girls' Festival on March 3, and in the Boys' Festival on May 5, are admired for what they symbolise. For hundreds of years they have served as emblems of moral earnestness, of loyalty and of chivalry, reminding the Japanese of the noble deeds of their forefathers. Foreigners always admire the beauty and daintiness of the Festivals, as the children sit before the decorated tiers of dolls, imbibing the ancient culture of Japan.

This artistic book with its quaint tessellated binding gives one a vivid idea of the ritual of the Festivals and describes the famous men and ancient legends depicted in the small models of men and animals, some of them of elaborate and expensive materials and workmanship. It is a highly artistic and attractive little volume.

日本の持つ美と、歴史と傳説、風俗習慣、文化と思想、詩と現實の叙述擧げて此一巻に在り。外人のための理想的日本紹介書であり、我々のために好個の反射鏡たり。

JAPAN is the only country that moves with the times while safeguarding for posterity the glamour of her romantic past. No visitor to Japan can therefore be disappointed.

The author's love of Japan, his keen sense of values in his native country, his humour, and his thorough knowledge of what the visitor or student most desires to see and learn of Japan, make of this book the ideal "Intelligent Visitor's Guide to Japan."

There cannot be any better guide to Japan and things Japanese.

The Schwaebischer Merkur, Stuttgart-Degerloch, Von Dr. Fritz Wertheimer:— Sie (die "Hokuseido Press") . . . hat erstjuengst die Japanfreunde durch ein ausgezeichnet illustriertes und glaenzend geschriebenes Buch von Akimoto "Die Reize Japans," entzueckt vielleicht das beste und in japanisches Wesen zutiefst eindringende Werk, das es gibt, das Muster eines geistig hochstehenden und anspruchsvollen Fuehrers durch das geheimnisvolle Reich des Mikado.

The Tourist, London:—The author's love of his native country, his sense of humour, and his exceptional recognition of what visitors most desire to see and lean in Japan, give this book a distinctive quality and also make it an ideal guine to the land of the cherry blossom. The features of the Japanese countryside, the native customs, the attractions of each season of the year, the principal cities, the national festivals, are described with a lucid pen. Indeed, it would be difficult to name a facet of Japanese life which the author does not touch upon.

SHOSO-IN is the ancient Imperial repository of treasures which was founded by Empress Komyo about twelve hundred years ago, and have been cared for by successive Emperors. The Kasuga Shrine at Nara houses representative examples of Japanese armour (Oyoroi) of the Kamakura period when it reached its golden age. The author, who, as research associate of the Armour Department of the Metropolitan Museum, New York, has had an unusual opportunity of making a comparative study of European and Oriental armour, has undertaken and succeeded in the ambitious task of telling the story of those ancient treasures of Japan for the tourists as well as for the students of ancient Japanese culture.

日本の甲冑研究を通して我國の國民精神を海外に紹介する目的を以つて書かれた松岡朝子女史の著「奈良の聖寶」は立派な存在理由を持つものである。先づ我正倉院の特殊性を説いてかのアツシリヤ、バビロンの秘寶が如何に年代の古きを誇るとしても、畢竟これが埋もれたものの再起であり、長い間に人に忘れられ、全く縁もゆかりもない人々によつて發掘されて出たものである。しかるに我正倉院御物は千二百年の長い間我が先祖達に護られつゝ今日に傳世したものであり、そこに日本文化の特殊性を認め得べしとして、その御物の略解に進んだのである。

春日神社の鎧の篇に於ては西洋の鎧と日本の鎧を比較し、彼が精巧な鋼鐵を以つてし一分の隙もない完全な防禦物たる形を具へてゐるに反し、我は完全なる被覆といふことにはさまでの注意も拂はれてゐないところに武士道精神の一つの現れがあり、我が鎧は鎌倉時代に發達の極に達しその黄金時代を作つたのであるが、當時の鎧を見ると日本武士が如何に美術的方面に注意を拂つたかを窺はれことを指摘しその好例として奈良にある義經の大鎧、楠木正成の胴丸に就いて解説してゐる。

THIS is something new among the books that deal with Japan and the Japanese. It does not refer to the beauty of Fujiyama or to the charm of the Kimono. It goes straight to the conspicuous aspects in the social life today in Nippon, showing how things—dwellings, food-stuffs, people—have changed and why.

It is a survey of the country from an angle never before attempted, a survey only a Japanese could have made. The book is brimful of pithy comments and replete with remarks both incisive and humorous. The chapter on “The New Outlook of Life” will bring a vivid picture of the Nippon of today before the reader, while that on “The Japan That Can Never Change” will make him think.

You may not agree with the views of the author, but you will like his candor. The book contains the answers to many questions being asked on both sides of the globe.

The Sphere, London:—"Major Bodley, whose work as a correspondent in North Africa, China, Japan, and Manchoukuo is well known to our readers, has collected in one volume many of his recent impressions of the island empire and the Far East under the title of *A Japanese Omelette*. It is published by the Hokuseido Press of Tokyo. The paper seems to differ slightly in texture from that in use in this country, but otherwise, in its brightly designed wrapper and cloth binding the volume might have emanated from *Paternoster Row*.*

Some of the subject-matter will already be known of *Sphere* readers, but much has been added; and in its convenient book form; and with its up-to-date information concerning the Japan of today, it is a necessary addition to the shelves of all students of the Far East.

The Sunday Times, London:—In the drama of the Pacific the South Sea Islanders barely count even as a chorus. The Japanese are educating them, but Major Bodley thinks that the clothes introduced by the missionaries are causing their slow destruction. As a rather startling result, the areas of the Japanese Mandates will soon be inhabited only by the Japanese.

Major Bodley compares, for their historical importance in the East, the blowing up of the Maine and the destruction of the Mukden Railway. Far-reaching were the results in both cases.

The AUTOBIOGRAPHY of Fukuzawa Yukichi

The man to whom Japan owes today's civilization

福翁自傳

Translated by **Eiichi Kiyooka**

With an Introduction by **Shinzo Koizumi**
President of Keio University

Gilt-topped, handsomely bound in cloth.

xviii 9 $\frac{2}{3}$ × 6 $\frac{1}{2}$ + 370 pp. **4.00** ̄ 22 sen.

Here is the life of a great leader of new Japan who, in the age when Japan was in bewilderment with her ports suddenly visited by the Western peoples, taught her the true spirit of the Western civilization, and showed how this nation ought to be re-organized to meet the new age; and who made a fortune by simply being a successful writer—founded a university—also a newspaper—and financed them both single-handed. A loving father, a hearty friend, and a possessor of noble character. His name seems to hold a special meaning to all Japanese people.

The Times Literary Supplement, London: — A FOUNDER OF MODERN JAPAN. "The Sage of Mita," as he was commonly called by his countrymen towards the close of his career, dictated this autobiography at the request of his friends in 1896, shortly after Japan's victorious war with China, and it was first published as a serial in his newspaper, the Jiji-shimpo, in 1898, three years before his death. The present translation is the work of one of his grandsons, now a teacher of English at the University of Keio, which grew out of Fukuzawa's famous school. Professor Koizumi, President of Keio, contributes an introduction, in which he pays tribute to the memory of "the man to whom Japan owes to-day's civilization," and emphasizes the historic significance of his life's work during the closing period of the Tokugawa Shogunate and throughout the greater part of the Meiji-era. Professor Koizumi considers that "in style, in attractiveness of contents and in importance as a document of the times and the man," this autobiography should be recognized as a masterpiece worthy of mention in comparison with the most notable examples of the world's autobiographical literature. To the Western reader it should certainly appeal as an unusually interesting human document, if only because it opens a door which is generally closed by reason of the reticence and repression of all feeling imposed upon the Japanese by their

social conventions, based on the philosophy of the samurai. It allows the reader to share the innermost thoughts and the private life of one who combined rare independence of character and intolerance of the mental fetters of feudalism with deep love of his native land and lifelong devotion to its service. Towards the close of his career Fukuzawa confesses that, although sociable by nature, he had never in his life been able to make a heart-to-heart fellowship with any of his friends or to open himself completely to the confidence of others. In this book he has done so in full measure.

Told with remarkable frankness and modesty, the tale of his life is that of a very brave, yet ever gentle, man who, at great personal risk and wholly without personal ambitions, devoted himself, often quite alone, to the task of educating his countrymen to a sense of Japan's real position in the world and to the need of safeguarding her threatened independence as a nation by adopting the culture and acquiring the armaments of the West. Sustained by an unswerving faith in his mission, during long years of poverty, peril and hard toil, he preached without ceasing, in his school and in his books, the doctrine of "Independence and Self-respect," and in the end came to be recognized and beloved, not only as a great thinker and educationist but as a leader of men and a champion of popular rights. He lived to see and to enjoy the fruits of his labours. After the Restoration and the opening of Japan to the world, it was his dream "to form a great nation in this far Orient, which would stand counter to Great Britain in the West, and take an active part in the progress of the whole world." And in the end, when Japan had proved herself worthy to take rank among the Great Powers, he rejoiced that his ambition had been attained.

In his private life the Sage of Mita, as he reveals himself in these pages, with all his likes and dislikes, must have been a very lovable man. He had an instinctive love of clean living and of his own roof tree, a horror of debt, a great inclination (which at the age of thirty-four he curbed) towards strong liquor, a strong dislike of pedantry and conventionality in scholars, and of heated arguments. Having trained himself in his youth "to receive both applause and disparagement politely, but never to allow himself to be moved by either," he could say at the end of his days that "He had never been truly angry in his life or touched a person in anger."

The Sunday Times, London:—This book has two separate and distinct merits which help one another and make it a very good book. It gives a picture, and an illuminating picture, of the age of transition in Japan. It gives also a very frank and lively picture of a human being who must have been as lovable as he was well endowed by nature.

With Impressions of an Impressionable

東京繁昌記

by **Frank H. Lee**, B. A. (OXFORD).

*With Japanese Brush Sketches, Fine cloth
binding. 290 pages. 2.50 円 10 sen.*

著者得意のユーモアに富める輕妙なる筆致を以て東京生活と其年中行事を描き江戸ツ兒の意氣を描寫したる人情と詩の東京繁昌記である。

猶ほ本書は東京案内記として世界的に好評を博し、米國政府が特に本書を盲人點字本に譯してまで居ることは他に類を見ない所である。

Strictly, it is not a guide book, but a Calendar of Tokyo Life. Still it is the best guide book of Tokyo and Tokyoese!

Humorously written, illustrated with quaint Japanese brush sketches, the book chronicles all Tokyo events throughout a year, giving kaleidoscopic picture of formal ceremonies, side shows, manners and customs, beliefs and superstitions and their explanation.

A Drama of Tokyo Life!

The Tourist, London:—Many convincing reasons can be given for travelling in a foreign country; one of those most frequently quoted is that it leads to a better understanding and appreciation of that country's inhabitants. If one is unable to visit a country, the next best thing is to read books which will enable one to appreciate the foreign post of view. Admirable for this purpose is Mr. F. H. Lee's *Tokyo Calendar*, a charming book which lightly skims the days of Tokyo's year. Mr. Lee is a philosophic eyewitness of the whole of the life of Tokyo, and through his interpretation the reader learns and understands something of the Japanese outlook.

THE OBSERVER, London

OLD AND NEW JAPAN

"A Shrewd Reply to Misrepresentations of Japan"

by Edmund Blunden

The very cover and end-papers of Mr. Lee's book (delightfully produced by the Hokuseido Press in Tokyo) announce a Japan very different from that which is latterly so prominent in the leading articles. We are invited to the region of fans (film and folding), festivals and Fuji (the unpolitical mountain which for ever reigns over the horizons of Tokyo). Qualified by fifteen years' residence, Mr.

Lee makes this immediate statement on the country whose school-boys already know him as an author (and many as their *sensei*, or teacher): "Japan is a perfectly charming country in which to live. The people are charming, the climate is charming, everything is charming." He has seen beyond the occasional bothers and misunderstandings which embitter some foreigners in Japan; and he tells us that as he has not sought out bad aspects, they have not sought or found him.

Such is the sympathy which sustains the detail of an agreeable variant of the guide-book—a volume partly practical and partly reminiscent. To anyone with the good luck of a year in Japan, Mr. Lee's account of the great occasions must be an excellent item of equipment—and the months there are full of occasions which are attractive even if only seen, and far more so if interpreted.

DAYS AND YEARS IN JAPAN

滞日印象筆にまかせて

by **Frank H. Lee**, B. A. (OXFORD).

With Illustrations. Handsomely bound.

228 pages. **2.00** 十 10 sen.

著者は十八年前に江島田に始めて日本の土地を踏んでから我々の表も裏も知り悉して裸のままの日本人の姿に限りなき愛着を見出して居る。全篇ユーモアと警句、其れを貫く信實性に躍動す。限りなき快心の讀物である。

A fresh picture of Japan from a novel angle:

The Japan he writes about is not guide-book type. Seventeen years' residence has acquainted the author with the peculiar ways of life and the characteristic mode of thinking of Japanese, and he records them humorously in this book with the utmost candour.

A shrewd observer, he finds many occasions for sarcasm upon the distortion and topsy-turvy state of things prevalent in this country, yet the whole book reveals the author to be a happy resident among the Japanese, one who can appreciate the real things Japanese.

The Times, Literary Supplement, London:—In his preface, and again in his second chapter, Mr. Lee asks the reader to remember that he is not writing his autobiography, but merely jotting down a few stray incidents and disconnected impressions, and to this explanation he adds: "I write as I think; I do not think as I write. . . . His text is enlivened by some rough but interesting sketches.

THE PRIEST AND HIS DISCIPLES

出家とその弟子

Translated from Japanese by GLENN W. SHAW.

Fine cloth binding, with the front cover

Illustrated, 7½ × 5¼" 2.50 ¥ 10 sen.

This popular modern drama is a tale of love and religion woven about the life of Shinran Shōnin, the founder of the great Shin Sect of Buddhism, whose favorite disciple loses his heart to and happily marries a pretty little tea-house girl in the gay Kyoto of seven centuries ago. Since its first publication in 1918, the Japanese original *has gone through well over a hundred editions.*

The translator, Mr. Glenn W. Shaw is well-known in Japan as a devotee and translator of the modern literature of the country, and his skill in translating the Japanese language into English is admitted, by all who can understand the two languages, to be so flawless and admirable that the translation reads almost as natural as the original. *More than fifteen thousand copies of the English edition were sold.*

Harold F. Rubinstein:—"With this tremendous play a young Japanese takes his place among the greatest dramatists and profoundest thinkers of the age."

Futabatei Shimei's * * *
MEDIOCRITY

平 凡

Translated by GLENN W. SHAW.

Fine cloth, with the front cover Illustrated.

195 pages. 2.00 ¥ 8 sen.

The original "HEIBON" (Mediocrity) was composed about twenty years ago, that is, at the rise of Naturalism in Japan. The author, in spite of this remarkable literary talent, had entertained an aspiration for statecraft, and, in his later years, had rather a severe contempt against literary work. Yet he was *indeed one of the largest figures of Meiji Literature.*

"Mediocrity" . . . is practically an autobiography. . . . As a human document it is alive and moving and instructive, and *as a side-*

light on the literary mind during the formative period of Meiji it is significant. . . .

The Times, Literary Supplement, London:—

Mr. Glenn Shaw, who is favourably known in Japan as a devotee and translator of the modern literature of that country, judiciously introduces “Mediocrity” with an account of Futabatei’s career—a singular one. Futabatei was originally a nationalist who studied Russian for his country’s advantage in emergency, but Russian literature transformed him into a “library socialist” without means, and duly into a novelist and journalist. “Mediocrity” and his other works are considered the first real display of modernism in Japanese literature. His book is a strange medley of fineness and coarseness, photographic detail and mental posturing. . . . Admiration is due to the Tokyo publishers, who have printed the book with uncommon correctness and proportion.

The Nation, New York:— Akutagawa was only thirty-five years old when in 1917 he drank poison and ended a career of the greatest promise for Japanese literature. He was a stylist, precious in his tastes and with a strong tendency toward the macabre. His tales show a strong, frequently forbidding imagination. Mr. Shaw has chosen his best-regarded volume for translation, and through the graces of the author’s style have probably escaped, he has preserved the curiously deforming vigor and the somewhat unpleasant humor of the original. So few works of contemporary Japanese literature find their way here that we must add to our thanks to Mr. Shaw for this interesting volume a plea that he gives us more.

The Observer, London, Reviewed by Mr. Hume Gregory:—

“This volume of plays is a revelation of the common heart of the world irrespective of complexion. . . . “All the plays are full of Japanese traits—inns, temples, theatres, pilgrimages, and family life; but none the less Kikuchi Kwan, like an advanced European, is engaged more with humanity than with nationality; he is an ultra-modern Asiatic who abolishes the separate sense of continent and colour; and he ranks amongst the foremost dramatists of the world. . . . The translation by Mr. Glenn W. Shaw is very good and vigorous.”

The Morning Post, London:—“Indeed the West might learn something from these wonderful little dramas, loaded as they are with significance, beauty and great art. If there are more Japanese dramatists like Kikuchi Kwan, Japan has reason to boast of her modern drama. Nor has she anything to learn from Bernard Shaw and John Galsworthy.”

The Manchester Guardian, England:—“. . . the modern dramatist of Japan has his own simplicities of design and dialogue; his scheme of values is not Western, and these plays are not to be read as evidence that Japanese students can assimilate English culture. They are documents in which the Japanese handwriting retains its native quality however much the writing material may bear a foreign stamp.”—I. B.

Lord Dewa:—In which, in feudal Japan, a bold impetuous warrior rescues Ieyasu's beautiful granddaughter out of the flames of Osaka Castle relying on the strong old Shogun's promise of her hand, only to be thwarted by the girl herself and a younger, handsome and more amiable knight.

Chink Okichi:—In which, in transition Japan, an ill-starred geisha takes care of Townsend Harris, America's first consul to the Mikado's islands, through trying days of illness in his lonely country temple consulate, and suffers and tipples and dies, a despised and much wronged, but still proudly protesting woman.

The Crown of Life:—In which, in modern Japan, the owner of a crab cannery in Saghalien insists on trying to live the Golden Rule and goes down in defeat before the system still calmly content with his little family intact about them.

The London Times:—The tale is told with a bold simplicity that is not unattractive. The moral values of the drama may bring to mind the ingenuous occidental melodrama of a generation ago or more, but it is clear that *Chink Okichi* has both a serious ethical significance and some sort of national symbolism in the Japan of to-day.

The Svenska Pressen, Finland:—Character studies of such a nature are not always wanting in modern dramas, but one does not know anything to admire more, in the classical form ending in realism, the changing vivid psychology, or the poetical beauty of the symbolical scenes.

The most remarkable thing with the Japanese realism is that in spite of its severity, it is so full of poetry and artistic beauty that it makes a visionary impression. The dialogue itself is of the greatest interest for a Westerner. Even in the stormiest moments there is put an implicit limit, which is never transgressed, a tactfulness and precaution in the utterances which give to the underlying suffering a rare relief and strength. Here is nothing tame and polished, but also nothing that breaks the style. In reading these plays, one gets an impression of a power which mould the scenes and characters with a plastic firmness.

Glenn W. Shaw

MR. GLENN W. SHAW is well known in Japan as a devotee and translator of the modern Japanese literature, being among those very few Americans or Europeans who are equipped with easy, fluent working knowledge of the Japanese language in reading and writing. He has been living in Japan over ten years, teaching English at the Yamaguchi Commercial College at first, and now at the Osaka School of Foreign Languages.

Japan's Foreign Relations

1542-1936

A Short History

日本外交史

by ROY HIDEMICHI AKAGI, PH.D.

Formerly Visiting Lecturer on Japanese Affairs, Columbia University

9½ × 6½" Cloth. About 600 pages. (216,000 words.)

7.00 ¥ 32 sen.

THIS is the first book which gives in English a complete survey of Japan's foreign relations. It is an attempt to summarize in one handy volume the main acts and scenes in the unfolding drama of Japan's foreign relations during the past four hundred years, from her first contact with Western Powers to the recent Sino-Japanese crisis in Manchuria and its aftermath. In it is found the marvellous story of achievements, unparalleled in world history, of Japan's rise from a hermit kingdom in the Far East to a great world Power; two centuries of continuous but unsuccessful attempts by Western Powers to force open Japan's closed doors; the re-introduction of Japan to the world intercourse, and the struggle to free herself from the yoke of unequal treaties; Japan's bid for world recognition through the Sino-Japanese War, the Anglo-Japanese Alliance, the Russo-Japanese War, and the World War; the development of Japan's Far Eastern policy, culminating in the annexation of Korea, the "Twenty-one Demands," and the acquisition of extensive rights in Manchuria; the re-orientation of Japan's foreign policy through the Washington Conference, the "Shidehara Policy" *vis-a-vis* China, the League of Nations, and the Pact of Paris; the Sino-Japanese crisis of 1931-33, Japan's

eventual withdrawal from the League of Nations, and the advent of the "New Deal" in Japanese diplomacy. It is truly "a short history" which utilizes the cream of latest scholarly researches and brings the kaleidoscopic events in Japan's past foreign relations within the grasp of all who desire to understand the background of Japan's diplomatic game to-day.

A Delightful and Significant Book

Here is a fascinating travel book, packed with incident and adventure. But it is also the most important book yet written on the island world of Micronesia which lies like a breakwater across the face of Asia, across America's path to the Orient and in a key position in relation to Australia and Singapore.

The book is written in beautiful language, and reads like a novel; but no South Sea writing has equalled the systematic and exhaustive information of the present book—information ethnographic, industrial, strategic. The contrast is vivid between the ancient jungle and the swift modernization by the Japanese colonists.

The Japan Advertiser, Tokyo:—Here is a book well worth reading. It is an interesting travel tale, well told, and it is more than it, for it has an important political bearing. It is one of the best books the Hokuseido Press has published.

The Oriental Affairs, Shanghai:—This is by far the most interesting—and fascinating—volume that has yet been published on the Japanese Mandated Islands.

The Shanghai Evening Post & Mercury:—A fascinating blend of incident and observation. The observation is so lively, the telling so tingling. It has life and motion aplenty, and interspersed with the happenings is the answer to every question one could ask about this Japanese line of island defense lying like a breakwater across the face of Asia.

Asia, New York:—Willard Price's *THE SOUTH SEA ADVENTURE* successfully combines a delightful style, many fresh scenes imaginatively described, and a great deal of very valuable information on the islands of Micronesia, particularly in relation to Japan, who holds the mandate over fourteen hundred of them. The book has the close charm of personal adventure, for the author and his wife went into many a place where white people do not go, and they had the necessary sensitivity to understand and enjoy what they saw—that is, they came out of themselves and shared in the life around them rather than merely observed it from their own background. The serious discussion of Japan's power over these islands, her on the whole beneficent influence, is food for thought. There is no nation in the world today so purposeful in her development as Japan, and, as the author says, these islands are Japan's stepping stones leading straight toward some of the world's richest lands, south of the equator.

The story of Japan's rise to world power centred round three leaders seen and heard in action. Side-lights from the Russian leaders Stoessel and Rojestvensky and from the astounding diary *Rasplata*. Crisp summaries of the China and Russian wars culminating in Theodore Roosevelt's own account of the Portsmouth Conference.

The Japan Advertiser, Tokyo:—In addition to the character delineations of the three Meiji heroes and the summary of the historical events with which they were involved, Dr. Scherer's book also gives an enlightening picture of the great Emperor Meiji. This sovereign understood his country and his people deeply enough to know that much of the success of his reign was due to the energies of the three men whose common and primary consideration was the glory of the Japanese Empire.

The facts recounted in Dr. Scherer's book are of particular interest in the light of the parallel which one cannot help drawing between them and the political events of the present day. The continuous friction between Japan, China and Russia show in a clear manner how history is wont to repeat itself

Beautifully illustrated with Japanese brush sketches.

Bound in pure Japanese style with tsuchi cloth case. 1.50 ¥ 6 sen.

WRITTEN much in the tradition of Japanese verse, they express some flash of unexpected beauty, a transient longing, a mood of a moment, a swift compassion, a vague desire.

The Japan Advertiser, Tokyo:—“*The ideal answer to a request for an artistic gift souvenir of Japan*”—“*The writer has caught significance of suggestion of Japanese art and poetry:*—

This book is *the ideal answer to a request for an artistic gift souvenir of Japan*, for not only are the poems in the slender volume uniquely expressive of this country, but the binding and general make-up is so attractive, that it is a pleasure to own the book for this reason alone. The Hokuseido Press has been putting out some unusually fine work in recent years, and Mrs. Balcom's book of poems is an exceptionally good example of its expert and tasteful workman ship.

“Shadows on the Shoji” is a collection of some 60 short poems written in the Japanese manner, each an interpretation of a single emotion or idea. The verses are printed on thin, delicate paper, folded in double sheets, with nature designs in faint tracery on some of the pages, and the book is bound in pale blue green cloth with the title written lengthwise on a narrow strip of silver flecked white paper pasted in the center of the cover. The volume is encased in a Japanese folding cover of darker blue, and the edition is limited to 300 copies.

Sunkinsho is a tale woven around Miss Shunkin, beautiful blind instructress of Japanese music and her servant Sasuke, who later developed into her pupil and then her lover, with the relations between mistress and servant, teacher and pupil, maintained to the last with distorted strictness. The restraint which permeates the whole story and the passion that lurks behind the scene make a striking contrast in the superb beauty of the Tanizakean story. Ashikari is also remarkably characteristic of the author of exquisite stories of hedonistic aestheticism. Now he is regarded by Japanese as the chief exponent of the "art for art's sake" school in Japan. Among readers of discrimination, his reputation is hardly unsurpassed by any other living Japanese author.

東京日日：—この書に收められてゐる隨筆は、人と生活のスケッチを中心に、日本及日本人を最もよく紹介せるもの、こゝに躍動せるほゞえましい日本の姿こそ、眞の日本の姿であつて海外の友に贈るにもまた英語學習者のために近來の好著である。流麗なる著者の英文は夙に内外に知られてゐる。

Part I:—Some Aspects of the Japanese Mind; Kimono—How It Fares in Modern Life; The "Happy"-Coated Tokyoite; Komuso; How Mr. Salaried Man's

Wife Runs Her Home; Women in the New World of Usefulness; The Over-worked Student; Tokyo's Centre of Big Business; The Colourful Urbanity of the Ginza; Out in the Country; Spinning Droll Yarns for the Common People; The Pocket-warmer—The Winter's Delight; Aging Gracefully; The Revue Stage and Its Fair Followers. **Part II:**—Kiyokata Kaburagi Portraying Feminine Beauty; Authoress from the Slums—Ineko Kubokawa; Ichizo Kobayashi—The "Show King"; Sojinkan Sugimura—The Doyen of the Press; The Queen of the Screen—Takako Iriye; Gumpei Yamamuro—A Pioneer Social Worker; General Count Terauchi as War Minister. **Appendices:**—Magic Ashes—A Native Fairy Tale Retold; The Japanese Sword—An Appreciation; In Memoriam the Canine Loyalty of Hachi-koh.

THERE is no doubt that Mr. Fukuda has a special place among the interpreters of Japan to the West. His is the non didactic, almost casual, method of interpretation, springing from a desire not so much to make certain things interesting as to write about certain interesting things. His books on things Japanese (this is his third) have no thesis. They do not set out to prove anything about Japanese life and character, except that they are richly human and therefore vitally interesting. Of this last, perhaps because of that first, they supply abundant evidence.

We know Mr. Fukuda in his office, and we recognise him up and down these pages. Here he wanders among the intricacies of the Japanese mind, the colour schemes of kimono ancient and modern, among the city workers and craftsmen, women as well as men, into the impressive temples of big business, into the modern amusement centres of cafedom and the theatre, pausing to listen to the yarns of the traditional story-tellers on the way. He commiserates with the overworked student, pays the tribute of the complete urban to rural delights and, returning home, explains how "Mr. Salaried Man's Wife" keeps house. And he is humourously observant all the time. He sees the fun, even amid the tragedy, and grasps the essentials of both.

In the second part of the book appears yet another series of his inimitable character sketches, this time of a painter, an authoress, a modern impresario, a veteran pressman, a film star, and two great officers of the Salvation Army and the National Army respectively. It is varied human fare, and the reader who digests it will find his conception of Japan as some arid uniformity disappearing in the process. And that after all is the thesis, unconscious though it be, of all Mr. Fukuda's lively writings on the Japanese scene.

The book is produced with the excellence now universally associated with the house of Hokuseido and copiously illustrated with clear and artistic photographs. H. V. R.

Japanese Atmosphere.

Living in Japan reflects two sides of the author's life for twenty years in Japan, the roving, participating, journalistic side, and the reading, delving, translating side. Part One takes you with him straight into a folk dance, a fire ceremony, the streets, temples, gardens of ancient towns, the homes, cars, buildings of modern cities, a raging typhoon. Part Two lets you into his study, where nine-tenths of the books are Japanese, gives you a glimpse at contemporary Japanese literature, verse forms and sentiments ancient and modern, virtually all the important English translations ever made from Japanese literature, the latest great Japanese novel, authentic Japanese atmosphere in a springtime sheaf of translations.

The book is at once a defense and an explanation of the phenomenal expansion of Japanese industry. The author's bold and frank statements are not concerned with too detailed figures, but what a Japanese magnate of industry has to say on the industries of his country and abroad deserves attention of everybody interested in the economic situation of Japan today. Mr. Fujihara tries to show that Japan's industrial advance has been well-founded, and enumerates, among the reasons, those national traits which he believes have contributed to its phenomenal progress. The book is distinct from other English books of the kind and should prove of particular interest to foreign readers in that the author has addressed himself exclusively to his countrymen.

Pearl S. Buck, says:—The folk tales of any people are interesting because they reveal a sort of folk mind in which every one shares whether he acknowledges it or not. Here are collected the chief of Japan's folk tales, pleasantly translated, and now of especial significance because they reveal the ways of thinking, in a simple fashion, of a people whom many are finding it difficult to understand.

THE ASIA, *New York.*

The Times, Literary Supplement, London:—They tell of brave deeds and tragic events in the lives of Dai Nippon's most famous warriors and worthies through the ages. . . . As a whole, the book fulfils its author's purpose by presenting in sequence some of the salient features of the nation's history.

The Ashburton Guardian, New Zealand:—Omori Harris has produced a fascinating story of the Japanese nation, limned with light touches and in prismatic colours. The stories are so well written that they read like a novel, with not a dull sentence from cover to cover. "Japanese Tales" will appeal to children who delight in fancy trees and stories of adventure as much as they will interest adults who desire to enlarge their knowledge of the people of the Oriental Empire.

her education. Of no country might it more truly be said than of Japan that "to search the old is to find the new." You are doubtless surprised that a nation which can outstrip many other powers in seventy years should seemingly have been sleeping before the Restoration of 1868. But how would it have been possible for Japan after her Restoration to short-circuit other nations' progress of centuries if she had not already paved the way by a system of education which enabled her to take the fullest advantage of what the world had to offer her? This new book shows how, even during her long isolation of nearly three hundred years, Japan's education was developing, chrysalis-like, so that adjustment only was necessary when at length she opened her nation's doors and schools so wide to Western culture. This book shows how this transition has revealed Japan's strength. It shows also the weaknesses which have inevitably resulted where new educational ideals have been found incompatible with time-honoured traditions. In a word, this book reveals the education travail of a great nation throughout the centuries; its present system of education, and the likely development which will take place in the not far distant future. A book which all interested in world-education should have on hand for reference.

The Times, Literary Supplement, London:—The authors' first purpose, in compiling this critical study of Japanese education, is to dispel the erroneous idea that Japan before the Restoration of 1868 was a barbarous country and to prove, on the contrary, how fertile was the intellectual ground which enabled the nation to assimilate so much of the science and culture of the West, "while all the time short-circuiting the West's centuries of progress." Their work, compiled with the assistance of the Department of Education, contains a good deal of historical background, together with a detailed survey of administrative machinery and organization, past and present; it contains also some trenchant criticism.

EDITORIAL JOTTINGS

Vol. I. 1930, 1931.

Vol. II. 1932, 1933.

Cloth. About 360 pages (each). To be published in Feb.

From Mrs. Nitobé's "FOREWORD":—Upon returning from Geneva in 1927, where he had for more than seven years occupied the post of Assistant Secretary-General in the Secretariat of the League of Nations, Inazo Nitobé was offered the position of Advisory Editor to the Osaka Mainichi—English Section. In his capacity as such, he wrote a large number of brief articles under the heading of *Editorial Jottings*. These seem to have been appreciated by many who looked to them for daily reading.

After Nitobé's death, which occurred at Victoria, B.C. in the autumn of 1933, there came a flood of letters petitioning the re-printing of these *Jottings* in the form of a convenient book or booklets.

Willard Price's New Book

JAPAN'S NEW HORIZONS

Cloth. About 280 pages, with 30 photos.

To be published in March.

From The Author's "INTRODUCTION":—This book is mean to be neither pro-Japanese nor anti-Japanese—but merely a record of things seen and heard during four years of travel over the new Japan from Siberia to the equator. The writer is not concious of being pro-or anti-anybody. He believes himself the fairest person on earth.
